### 10 Minutes A Day Maths

Young learners learn best when activities last five to ten minutes, before they drift off-task. The 10 Minutes a Day series takes this research to heart, providing quick math exercises for children — perfect for those time-to-fill moments at home, and based on one of the best and most effective learning strategies: little and often. Each book includes a ten-minute timer, beat the clock exercises, and easily photocopied pages, as well as tips, guidance, and answers for parents.
