Instrumentation The symphonic band, as it exists today, is a monolithic monster, the unfortunate result of the attempt to equate the symphonic band with the symphony orchestra. Robert Milano (1963) 1 As with any type of musical ensemble, the wind band has undergone periods of growth, development, and evolution.

At the beginning of the twentieth century, the wind band, usually referred to as a concert band, was experiencing growth at an exponential rate. By the 1920's, nearly every major city had several bands, and many suburbs also established local bands to satisfy the growing number of commuter families
