A Photogenic Life

A Photogenic Life was a touching and sad story. I read the book in one sitting because I didn't want to put it down. Though the language was not perfect, it was easy to understand everything that the author meant. The story felt real to me, and it did make me cry in the end. It was easy to relate to and had an interesting story line.

Being photogenic means looking good in pictures. (e.g. "Her dog is so photogenic!"; "My LinkedIn and Tinder pics suck because I'm not photogenic.") But if you look bad or ugly in selfies and others pictures, doesn't that just mean you're ugly In real life too? Not so. Here's why.

Not Photogenic?: What Being Photogenic Means, How It Works

Linda Lim is a beautiful seventeen-year-old student who goes all out to live a photogenic life; she is willing to betray, lie and create her own past, just so to impress everyone around her. When she meets Chew Ling, the shortest and ugliest girl in school, she realizes that the best way to impress others is merely a smile from the heart.

As mentioned, being photogenic is a combination of genetics and skill, and it's very hard to determine if someone is photogenic until he stands in front of the camera. The great thing about being photogenic is that you can practice and make great results, despite your look.

Is Being Photogenic a Gift or a Skill? - Pixobo ...

Originally Answered: Why are some people not photogenic? Images sit still in time and are a frozen representation of yourself. This gives you time to scrutinize all the things about yourself that you don't like, and you feel like your perceived shortcomings are jumping out at you. And jumping out at everyone else that looks at your photos.

Why are some people unphotogenic? - Quora

Being photogenic means that a person appears appealing in photographs. The person may or may not look like that in reality. Some people are very natural and look relaxed when they face a camera and most of the times their photos turn out well. They may not be attractive in real life but may appear in photographs.
