Finally a large print address book I love!  
It is magazine size so very hard for me  
to lose and as described. Great price  
too! Most large print address books I  
have tried don't have that many pages  
per Alpha character, this one has 6  
pages per letter. It gives you name,  
address, work phone, cell phone, email,  
and a place for notes.
