As with the others, BODY RIDES grabs you early and keeps you enthralled in the story to the very end. The premise that one can leave one's own body and ride along inside another undetected is pretty far from reality, but Laymon doesn't give you the chance to think about it. He grabs you and drags you through the rest of the story.

Perfect for fans of Stephen King and Joe Hill.Ever since the LA riots Neal has carried a pistol in his car - and tonight he needs it.

Body Rides A gripping horror novel of the supernatural and ...

So after reading NARAKA by Alessandro Manzetti (stay tuned for more on that intense book) I knew I needed something light and easy and fun so I picked Laymon's BODY RIDES at random. A few chapters into the book and it was clear this was going to be just like all the other Laymon books, so I settled in for a fun ride.

Man, this is one of the best Laymon books I have read. Once again, suspension of disbelief is a must, but this is the case with most horror fiction. Only, with this book, you are dealing with a magic bracelet that, once kissed by the one wearing it, allows you to leave your body and "ride" anyone you want.
