Chapter 3 Sense And Sanitation

This chapter analyzes what these tendencies mean for waste water and sanitation service provision. It outlines the paradigm shifts being made in infrastructural provision and its consequences for the senses, using case studies of sanitation innovation in Europe to illustrate new dynamics in the display and perception of sanitation infrastructures.

Sense and Sensibility. Chapter 3. Mrs. Dashwood remained at Norland several months; not from any disinclination to move when the sight of every well known spot ceased to raise the violent emotion which it produced for a while; for when her spirits began to revive, and her mind became capable of some other exertion than that of heightening its affliction by melancholy remembrances, she was impatient to be gone, and indefatigable in her inquiries for a suitable dwelling in the neighbourhood of ...
