### Creating And Using Kamishibai

CREATING AND USING KAMISHIBAI. BY. Cathy Spagnoli.

Background Notes: Visual storytelling props have been used in Asia for over two thousand years, ever since the times when Indian showmen showmen showed them in markets and Buddhist monks shared tales using pictures of hell or of the Buddha's lifetimes. Large scrolls, temple hangings, and painted canvas – all have helped to hold audience attention in Asia from those days on, both for religious and secular tales.

### CREATING AND USING KAMISHIBAI

The ancient Japanese art form of kamishibai has entrenched itself as one of the foremost management tools for performing audits in manufacturing environments. Literally meaning 'paper drama', Kamishibai is a form of storytelling that originated in Japanese Buddhist temples in the 12th century. Monks used picture scrolls to convey stories with moral lessons to their audience, many of whom were illiterate.

...

A basic condition for starting to use kamishibai is that people hold each other accountable for following standards. Without this, don't bother with kamishibai. This type of standard work for leaders is based on a longer cycle than an operator's standard work but the goal is the same: insure that work is performed in the best known way for a safe, productive and high quality

outcome.

## **One Point Lesson: Kamishibai | Gemba Academy**

Kamishibai as part of the Toyota Production System clarifies the 5W1H (who, what, where, when, why and how) for auditing and then places the cards on a visual board. Part of the management routine in a Lean organization is to audit existing standards so that any deviation can be addressed and kaizen action is taken. The kamishibai is a way to ...

## **What is a Kamishibai? | Gemba Academy**

It's for Storytelling, not Control. The kamishibai board he uses is not about control, but about keeping a fresh mind and, regardless of the pressing concerns of the day (he has many), take a deep breath, open the chakras, and go and investigate some aspect of his business to look into conditions, not just causes.

## **Don't you use kamishibai cards; you've never written about ...**

- Create step by step task completion instructions
