History of dance closely follows the development of human race. Since the earliest times of our existence, far before the creation of first modern civilizations, dance served as an irreplaceable way of expressing human thought and emotion. As our civilization traveled through millennia, dance was modified to the point of being popular means of expression, health, communication and competition.

### History of Dance - From Ancient Rituals to Modern Dances

Duende or tener duende ("to have duende") is a Spanish term for a heightened state of emotion, expression and authenticity, often connected with flamenco. The term derives from "duen de casa" (master of the house), which was also related to an elf or goblin-like creature in Spanish and Latin American folklore.
