Food Chemistry has an open access mirror Food Chemistry: X, sharing the same aims and scope, editorial team, submission system and rigorous peer review.. The Aims and Scope of Food Chemistry are assessed and modified on an annual basis to reflect developments in the field. This means that research topics that have been deemed in scope previously may now fall outside of the scope of the journal ...

Food Chemistry - Journal - Elsevier

Food Chemistry (third edition) is edited by Owen R. Fennema (University of Wisconsin-Madison, Madison, Wisconsin) and published by Marcel Dekker, Inc. in 1996. For many years, an acute need has existed for a food chemistry textbook that is suitable for food science students with backgrounds in organic chemistry and biochemistry.

For more than two decades, this work has remained the leading advanced textbook and easy-to-use reference on food chemistry and technology. Its fourth edition has been extensively re-written and enlarged, now also covering topics such as BSE detection or acrylamide.

Food Chemistry | H.-D. Belitz | Springer

Published by Editorial Staff on | 6 Responses. Food Chemistry (4th revised and extended edition) is written by Professor Dr. Hans-Dieter Belitz, Professor em. Dr. Werner Grosch and Professor Dr. Peter Schieberle and published by Springer in 2009. The very rapid development of food chemistry and technology over the last two decades, which is due to a remarkable increase in the analytical and manufacturing possibilities, makes the complete lack of a comprehensive, teaching or reference text
