The USA has the world's largest international student population, with more than 1,000,000 students choosing to broaden their education and life experience in the United States. Nearly 5% of all students enrolled in higher-level education in the USA are international students, and the numbers are growing. From the mid-1950's, when international student enrollment was only just reaching 35,000, international education in the USA has come a long way.
