The impetus for the high school project was that it was, "A 50-year-old building built for 1,200 kids that we had 3,000 in," Veracco said. What remains is the original field house, cafeteria and a freshman center which opened in 1993.. The new swimming pool is 50 percent larger than the old pool, which will be demolished, along with old classrooms and offices, after asbestos abatement takes place.
