Mercury Rigging Guide

The outstanding warranty coverage on Mercury engines also extends to the controls and rigging components on your boat. If your builder or dealer uses genuine Mercury gauges and controls when installing the new engine on your boat, the warranty coverage for those rigging components now matches the total warranty of your engine.

Community Boating, Inc. is the oldest and largest community sailing program in the country, but we didn't get there on our own. CBI has only survived the last 70 years because of the hard work, innovation, and dedication of its own members. CBI embraces the inclusive and collaborative vision of Community by asking members to [...]
