Monstrous Compendium Appendix Iii Advark

This MONSTROUS COMPENDIUM appendix includes a broad spectrum of monsters from the Inner, Outer, Astral, and Ethereal Planes - all geared to provide hours of adventure in the PLANESCAPE campaign setting. Replacing the original Outer Planes Appendix, this new and enlarged compendium includes full-color illustrations, reintroducing many of the best multiplanar monsters from a wide variety of out-of-print sources.

The Planescape Monstrous Compendium Appendix II, is an interesting addition to the collection of any DM interested to run adventures on the outer planes. However this book will only be of minor interest to anybody else. The artwork in the book, done by DiTerlizzi, is pretty good, although I prefer the job he did on the first compendium.
