## **The Little Book On Legal**

Whether a law student or a paralegal student, The Little Book on Legal Writing allows one to dramatically improve his or her legal writing with minimum effort. This book is geared to the kind of writing first-year law students do in a standard legal writing course: memorandums and briefs. However, almost all the advice given applies to other kinds of legal writing as well, such as contracts and pleadings.

A second question has been given almost equal importance: Is reading a book to students online even legal? The short answer is, well, yes. While many well-intentioned commentators have warned teachers against this practice, the fact is that copyright law—specifically fair use—permits many read-aloud activities online.
