### The Local Economy Solution How

The Local Economy Solution suggests an alternative approach in which states and cities nurture a new generation of special kinds of businesses that help local businesses grow. These cutting-edge companies, which Shuman calls "pollinator businesses," are creating jobs and the conditions for future economic growth, and doing so in self-financing ways.

By Michael Shuman: Growing evidence has proven that economic development's current cornerstone — incentives to attract large businesses — is a dead end. This book suggests an alternative approach: nurture a new generation of enterprises that help local businesses launch, grow and create jobs in self-financing ways.

## Read PDF The Local Economy Solution How Innovative Self Financing Pollinator Enterprises Can Grow Jobs And Prosperity

His new book, *The Local Economy Solution: How Innovative, Self-Financing "Pollinator" Enterprises Can Grow Jobs and Prosperity* (Chelsea Green, 2015) reiterates the core arguments of his previous works: first, most businesses in the United States are local. Second, local businesses are engines of growth and much more likely to create jobs than large companies.

### **The Local Economy Solution - The Solutions Journal**

In *The Local Economy Solution*, Michael Shuman argues that supporting our daughter's teacher's dad at the local hardware store does more than simply give us warm fuzzies inside. The local economy is the one that we live and (hopefully) thrive in, owned and operated by people in our own community.

### **Book Review: The Local Economy Solution | Means of Exchange**

His new book, *The Local Economy Solution: How Innovative, Self-Financing "Pollinator" Enterprises Can Grow Jobs and Prosperity* (Chelsea Green, 2015) reiterates the core arguments of his previous works: first, most businesses in the United States are local. Second, local businesses are engines of growth and much more likely to create jobs than large companies.

### **The Local Economy Solution - Resilience**

Keeping your children in local public schools is another way to boost your local economy. Keeping your kids in school means the teachers, custodians, bus drivers, lunch moms, and everyone else stays working, and it also means your tax dollars get spent in a way you like — at school! 5
