### The Racing and High-Performance Tire: Hanley, Paul ...

The Racing & High-Performance Tire. R-351. Based on 15 years of tire research, this book presents clear, non-academic explanations of how and why tires really work. Haney provides new insight into topics such as the complexity of rubber, how a pneumatic tire generates grip, and how to tune grip and balance using the load sensitivity of tires.

### The Racing & High-Performance Tire

Paul Haney's new one, The Racing & High-Performance Tire, fits very nicely with two others we've recommended. It's less rigorously academic than Bill and Doug Milliken's fine Race Car Vehicle Dynamics (reviewed January 1995).
