Morris's lectures and essays on art and his rediscovery of traditional craft techniques helped spread the movement, as did the decorative designs and products from his company: Morris, Marshall, Faulkner & Co. As a diverse international movement, Arts and Crafts encompassed many characteristics.

Arts and Crafts Movement | William Morris

William Morris (1834-1896) was the towering figure in late 19th-century design and the main influence on the Arts and Crafts movement. The aesthetic and social vision of the movement grew out of ideas that he developed in the 1850s with the Birmingham Set - a group of students at the University of Oxford including Edward Burne-Jones, who combined a love of Romantic literature with a commitment to social reform. [21]

Arts and Crafts movement - Wikipedia

The William Morris Studio in California produces craftsman style lamps that are inspired by the traditional designs of the Arts and Crafts movement. Each of our table lamps is made by hand and our mica lamp shades are made with the same materials and techniques used by past artisans.
